### **Program Changes**

Program changes may be made only within strictly enforced guidelines and only with counselor and administrative approval.

### **Lost and Found**

All articles that are found should be turned in to the main office. Students may claim lost articles in the office. To facilitate matters, a student should label all books, articles of clothing, writing materials, etc. We encourage students not to carry valuables to school. Be advised that **your personal belongings are your responsibility. Never leave any personal belongings unattended anywhere or at anytime.**

### **Visitors**

Only parents or legal guardians are allowed to visit students. For safety reasons,

all visitors must obtain a visitor's pass at front office. When any visitor has business with a student, the student will be called to the office. Prior arrangements must be made to visit a class in session.

### **Lunch Policy**

The Public Schools in Hawaii take part in the National School Lunch Program. Based upon family income and the number of family members, students may qualify for free or reduced lunch. Applications are distributed in homeroom classes on the first day of class or may be obtained from the office. Eligibility will be verified by school officials.

Our school uses an automated meal tracker program. All students are issued an ID card which serves as a debit card to pay for meals. Students who pay for their meals, either reduced or full price, must simply deposit money into their account which is debited when meals are purchased. As balances are depleted, additional deposits are required. Cash or checks are not accepted in the lunch line. Balance information may be requested from the office. Students who receive free meals are ONLY entitled to one breakfast and one lunch per day. Additional meals may be purchased. Students without their ID cards may obtain a meal but must go to the end of the meal line, as their purchase will be processed manually.

### **Bus Policy**

School bus service is available to all students who reside over one mile from the school, who ride the bus on a daily basis, and who are attending their home school. Transportation is limited to and from the student's legal address and during the regular school year only. Those who wish to ride other than to and from their legal home address must submit a separate application (Form CS101). Riding a school bus is a privilege, not an inalienable right. To promote health and safety, a school bus pass is required for all students riding school buses. We incorporate bus passes into the student ID cards. The Department utilizes a pre-paid bus pass system. Application forms and instructions are available at the office. Applications for bus passes must be submitted prior to the close of the school year to insure the pass is available for the first day of the next school year. All original, duplicate, and temporary passes are now issued by the school. Students must present their pass to

f

the driver at each boarding. Registered students with no pass in the morning, may ride the bus to school, but must report directly to the office to obtain a pass for the ride home. Failure to do so may result in not being allowed on the bus home as a *no pass-no ride* policy is in effect. Students denied a ride home must report to the office for assistance. Students are charged a replacement fee of \$5.00 for new ID cards and \$3.00 for temporary passes after the first free one per year.

### **School Bus Discipline**

All school and bus rules and regulations apply to students while being transported. Failure to adhere to these rules will result in discipline by school administration in accordance with the existing policy. Bus drivers report incidents to school officials who follow up with an investigation and appropriate disciplinary action which includes:

Infraction	Required Consequence		
	1 <sup>st</sup> Offense	2 <sup>nd</sup> Offense	3 <sup>rd</sup> Offense
Class A and B Offenses	1-10 day bus suspension	Year expulsion	N/A
Class C Offenses	1-3 day bus suspension	5 day bus suspension	Year expulsion

### **Student Identification Cards**

All students attending our school are required to obtain and to maintain possession of their student ID card which are distributed free of charge to all students at the beginning of the school year. These cards are required for meal service, library service, and student activities. All students must have their cards with them everyday at school. Do not alter your card in anyway (i.e. no stickers, folding, and writing). Lost, stolen, and defaced cards can be replaced at a cost of \$5.00. Please report missing and unusable cards to the office immediately.
